2024 NEW PRODUCTS

WHAT'S NEW

RANGEMASTER LAUNCHES OVER 100 NEW PRODUCTS FOR 2024.

We have seamlessly blended design with functionality to provide a whole suite of new product lines in a variety of styles, colourways and functions which reflect kitchen market trends for 2024. Choose from stylish Matt Black ceramic sinks, to state of the art granite workstations or streamlined stainless steel sinks.

CELEBRATING 90 YEARS IN MANUFACTURING

During 2023, we celebrated 90 years of stainless steel sink manufacturing at our factory in Long Eaton, Nottingham.

Our sink and tap collection is renowned for its durable build and high quality. Using the best sourced raw materials available and advanced manufacturing techniques, we design and engineer our products so that they combine functionality, durability and stylish design.

Our wide range of sinks and taps cater for all budgets and styles.
